

PINK GROUP PRESENTATION

Monitors: RUI and JOANA

HOW TO PROMOTE INTEGRATION AND INTERCULTURAL DIALOGUE?

- The best way to change experiences through the tourism or mobility exchanging
- More facilities in legal papers
- People need to develop the sympathy
- Break barriers or obstacles to the foreigner people
- The institutions visited offer a great variety to young people to solve the integration problems
- The information is the key to facilitate the integration and dialogue between people from different cultures

HOW TO PROMOTE INTEGRATION AND INTERCULTURAL DIALOGUE?

- The English language as promoter but at same time as barrier (if you don't speak must be a barrier)
- We must to preserve each individual traditions, beliefs and accept his differences
- Create a virtual platform on which that links every people between different countries
- Create a information point (post) to receive people from different countries in order to clarify their doubts and difficulties
- It is very important to speak about the problems and difficulties
- The Erasmus+ program and European volunteer programs is the best way to promote students inclusion and it promote also the learning of different languages

HOW TO PROMOTE INTEGRATION AND INTERCULTURAL DIALOGUE?

- ◉ The promotion of intercultural dialogue through the music (interviewed a musician)
- ◉ Every Municipality Services should have an **HELP DESK**
- ◉ Organization of Food and Music festivals exchanging the traditions of different countries and the people will organize together
- ◉ Promote programs, projects and events like this
- ◉ Discover a new culture through the mobility projects
- ◉ Organization of free events to promote socialization (intercultural festivals)

HOW TO PROMOTE INTEGRATION AND INTERCULTURAL DIALOGUE?

- ◉ Forget the enemies, the frontiers and promote the peace
- ◉ Promoting youth education and participation in several events
- ◉ Improve the communication skills through language courses but also giving specific training

MAIN IDEAS

- Promote language and communication courses to facilitate the integration of each person that travel for another country
- Create info points where people could clarify their doubts
- Participate in activities, mobility's and projects like this that allows the intercultural dialogue between people from different countries
- Promote the respect for the differences between the individuals
